The adventure "**The Rescue of the Princess**" is played the same way as quests in the original HeroQuest game.

HeroQuest is a fantastic adventure game that takes place in a secret maze of stone. This maze of underground corridors and rooms is controlled by the evil sorcerer Zargon and his forces of Chaos.

Four brave Heroes were summoned by the good and wise old Mentor to fight Chaos. Delegated to them is the challenge and ultimate heroics - enter the treacherous world of the unknown and restore honor to the Empire. Destroy the legions of Chaos! Committed by their loyalty to the Empire, the brave Heroes unite. Treading carefully, they enter deeper into the dark and hidden world...
